Consent Agenda

A consent agenda is an effective means of managing the length of a meeting. It is normally made up of routine items that are not controversial in nature and upon which no further discussion is anticipated. Action on the consent agenda usually occurs early in the meeting with all items listed being approved by one motion and vote.

If any member of the governing body feels the need to discuss one or more of the items more fully, the item may be removed from the consent agenda and placed on the regular agenda.

Items of Business

A. Sub-Committee Updates

Advertising/Lisa Thomas: Will reuse the large posters from last year and just change the date; flyers (per festival) will be \$280 for 2000; 11x14 posters will be \$0.75 each and we will need 25; 18x24 corrugated signs will be \$18 each. She will check with area churches about getting information into the church bulletins.

<u>Children's Entertainment/Theresa Donaldson</u>: Fall Festival - Planning on having most of the same activity stations as last year, adding 1 or 2 new ones. Arnold Price is checking on getting the duck race, peddle tractor pull and barrel ride equipment again this year. Ms. Thomas said that Fairview PTO would like up to 3 booths this time which may include children activities. Winter Festival –will do nativity, letters to Santa, Santa reading again but will not do Santa's Workshop this year. Possibly have children decorate ornaments.

<u>Craft Vendors/Wendy Nielsen</u>: The Committee discussed and decided to charge \$25 per vendor. Vendor application will be updated and emailed out soon.

<u>Custodian/Bill Riffle</u>: Mr. Riffle discussed last year's usage of port-a-jons and wash stations with B.B. Haigler and decided that 5 port-a-jons and 2 wash stations would be sufficient for the Fall Festival and none would be needed for the Winter Festival.

<u>Decorating/Rita Price</u>: Will be reusing Fall and Winter decorations and just adding a few new items for each festival.

<u>Food Vendors/Todd Donaldson</u>: Mr. Donaldson will contact the area churches to see if they are interested in participating.

Music/Lisa Thomas: The sound system rental for the Fall Festival from 9:00 AM till 6:00 PM will be \$2,159.00. Musical groups/acts that have committed to coming are: Hosanna from Bethel Church, Fairview Elementary Children, and Zack Herman from Zion United Methodist Church. Please let Ms. Thomas know if you have anyone else that she can contact.

Parking/Mike Medlin: Will check on parking signs,

<u>Volunteer Coordinator</u>: Ms. Thomas noted that we will need a volunteer booth set up for volunteers to check in and get their vests and assignments. This year the volunteers must be finer turned than last year. Once the children's entertainment stations have been decided, we will be able to determine how many volunteers will be needed. Ms. Thomas asked everyone to think about providing lunch for the volunteers. Also walkie-talkies would be very helpful for the Committee members to have this year.

The Town Clerk will contact EMS and law enforcement.

Larry Carter volunteered to clean-up the park before the festival and Ms. Thomas said it would be a great idea to schedule a clean-up day and get volunteers to help get the park ready for the festivals.

B. Park Additions

Scott Cuthbertson reported that additional single picnic tables to place in the wooded areas would start at \$750.00 up to \$1050.00. This would not include mulch or gravel for tables to sit on.

Ms. Thomas mentioned earlier that the sound system rental would be \$2,159.00 and to purchase a system would be \$8,000.00. It had also been mentioned that a fountain in the pond would be helpful for the fish but would require electricity. She also noted that electricity around the pond area would be very helpful especially during the festivals as well as lighting around the pond so that the park can stay open later in the evening.

Rita Price reported that a sand volleyball court would run from \$18,000.00 to \$21,000.00 based on the three quotes she received.

Larry Carter made a motion to request to the Council that the \$2,000.00 left over from the 2017 festivals be used toward acquiring additional electricity around the pond. Wendy Nielsen seconded the motion. Committee members Thomas, Carter, Cuthbertson, Theresa Donaldson, Todd Donaldson, Medlin, Nielsen, Price and Riffle voted yes (8-0).

C. Minutes

Wendy Nielsen made a motion to approve the May 1, 2018 minutes. Bill Riffle seconded the motion. Committee members Thomas, Carter, Theresa Donaldson, Todd Donaldson, Medlin, Nielsen, Price and Riffle voted yes (8-0).

Lisa Thomas adjourned the meeting.

Reports

Ed Humphries reported that Council approved the 2018-2019 budget and agreed to purchase 65 acres of land from Harry and Sandra Haigler for additional park land. He also reported that Mayor Thomas provided updated information on Highway 218 and the information is on the town website and Facebook.

Items of Business

A. Discuss/approve permit # RZ 18-055

Ed Humphries presented permit #RZ 18-055, a request from Haigler Farms LLC to rezone 5.28 acres from parcel #08250002 from RA-40 to L-I CU (Conditional District). Board members discussed.

Tony Helms made a motion to recommend approval of #RZ 18-055 to the Council. The proposed conditional use permit under consideration is found to be reasonable and consistent with the recommendations of the Town's adopted comprehensive plan, the Town of Fairview land Use Plan (Revised September 13, 2010), and the Town of Fairview Land Use Ordinance (effective July 1, 2005). Greg Morgan seconded the motion. Board members Randall, Buchanan, Baucom, Helms, Medlin, Morgan and Presley voted yes (7-0).

B. <u>Discuss/approve Petition # TC 18-054</u>

Ed Humphries presented Petition #TC 18-054 that amends a requirement for cell towers in Article XI Section 180E (k) regarding minimum setback requirements. Ralph Wyngarden, Faulk & Foster addressed questions from the Board members.

Tony Helms made a motion to recommend approval of Petition #TC 18-054 to the Council. The proposed text change amendment under consideration is found to be reasonable and consistent with the recommendations of the Town's adopted comprehensive plan, the Town of Fairview land Use Plan (Revised September 13, 2010), and the Town of Fairview Land Use Ordinance (effective July 1, 2005). Josh Presley seconded the motion. Board members Randall, Buchanan, Baucom, Helms, Medlin, Morgan and Presley voted yes (7-0).

C. Review Fairview Land Development Plan (Written Version)

Ms. Randall tabled reviewing the Fairview Land Development Plan for a future meeting.

D. Minutes

Greg Morgan made a motion to approve the April 17, 2018 minutes. Mike Medlin seconded the motion. Board members Randall, Buchanan, Baucom, Helms, Medlin, Morgan and Presley voted yes (7-0).

Mike Medlin made a motion to adjourn. Kelvin Baucom seconded the motion. Board members Randall, Buchanan, Baucom, Helms, Medlin, Morgan and Presley voted yes (7-0).

Items of Business

Item 1: Public Hearing on proposed 2018-2019 Town Budget

Darrell Baucom presented the 2018-19 budget.

Mayor Thomas opened the Public Hearing

No Public Comments

Mayor Thomas closed the Public Hearing

Item 2: Discuss/Adopt 2018-2019 Budget Ordinance for fiscal year

Jerry Clontz made a motion to approve the 2018-2019 budget. Gary Wilfong seconded the motion. Council members Biggers, Clontz, Kindley and Wilfong voted yes (4-0).

Item 3: Discuss/Approve budget amendments for the 2017-2018 Budget

John Biggers made a motion to approve the budget amendments for the 2017-2018 budget. Patricia Kindley seconded the motion. Council members Biggers, Clontz, Kindley and Wilfong voted yes (4-0).

Item 4: Discuss purchase of Haigler property

Ed Humphries updated the Council on the offer to the Haiglers and counter offer from the Haiglers. The Council discussed various offer options.

Jerry Clontz made a motion to offer the Haiglers \$650,000 00 at 3.9% for 15 years with a \$50,000.00 non-refundable down payment for the 65 acres that includes the house and close within a year. Gary Wilfong seconded the motion. Council members Biggers, Clontz, Kindley and Wilfong voted yes (4-0).

Item 5: Discuss purchasing pienic tables for wooded areas of the park

Lisa Thomas, Chairman of the Park-Rec & Event Committee, reported that the Committee discussed and decided at the June 7th meeting that electricity/lighting at/around the pond is a priority. She asked the Council to consider adding the \$2,000.00 left over in the festival budget from this year to monies requested in the near future from the Committee for electricity/lighting. Council asked Ms. Thomas to obtain quotes for electricity/lighting and bring back to a future meeting. Also the Council asked Ms. Thomas to get updated quotes for benches, trees, swings and picnic tables so that the town can promote these items.

Item 6: Update on Hwy 218

After receiving questions regarding Hwy 218, Mayor Thomas reiterated that he met on May 2nd with two Union County Sheriff Captains, one Highway Patrol First Sergeant, three NCDOT representatives (including the regional traffic engineer) and one member of the Fairview Fire & Rescue. Information received at, as well as, after this meeting is as follows:

- There has been saturation enforcement (by the Highway Patrol, Union County Sheriff's Department, and other participating law enforcement agencies) on Hwy 218. In the month of April, Union County deputies made 61 stops on Hwy 218. In May, the deputies made 236 stops. Deputies are on Hwy 218 every day making stops.
- There is also a "Road Safety Audit" being done on the eastern end of Hwy 218. NCDOT is doing an in-house audit from Mint Hill to Hwy 205. Five year crash data is being analyzed to see what additional actions can be taken.
- Current planned and funded improvements include 3 roundabouts that currently are being designed.
 - Wy 218 and Hwy 205: \$1,100,000, construction in Fall 2019
 - Hwy 218 and Hwy 200: \$1,020,000, construction in Summer 2020
 - Hwy 218 and Mill Grove: \$1,000,000, construction in Summer 2019
- Hwy 218 and Ashley Glen Drive: Install left turn lane \$550,000, submitted for funding.
- Hwy 218 and Sikes Mill Road: Roundabout plans are to submit for funding at the next NCDOT turn-in in August.
- Here are some of the crash statistics over the past 5 years:
 - Almost 20% occurred on wet roads
 - Alcohol was involved in 4%
 - Striking an animal accounted for 12%
 - Lane departure accounted for 42%
 - > Drivers that were not wearing a seat belt accounted for 4%
 - > Speed was involved in 10%
 - Accidents involving large trucks or tractor trailers accounted for 10%
- The highest number of crashes occurred in October; next highest November; next highest December, then March, then July then June.
- The highest number of crashes occurred on Monday, next highest Thursday, then Friday, then Tuesday, then Wednesday, then Saturday, then Sunday.

Council Comments

Patricia Kindley expressed she was happy to be a part of the decision tonight regarding purchasing additional park property and feels it is a very fiscally responsible plan.

Jerry Clontz stated that there had been a water leak at the park in the restroom area that required 3 days to fix. Mr. Clontz stated that a single picnic table would be a nice addition at the park as well as possibly a few bench swings around the pond. Mr. Clontz asked Mr. Humphries to check on the power usage for the town hall building after receiving a \$266.00 power bill since the school vacated the property and the town is now paying the bill.

Mayor Thomas reminded Council that at the July meeting they would be asked to give an update on the goals assigned to them at the February Retreat.

Mayor Thomas reported he received a call last week from a lady in Wesley Chapel asking the town to send a letter to not support local laws to de-annex property from towns. This request is in response to Senator Tommy Tucker filing a local law to de-annex 82 acres in Wesley Chapel. Council members were not in favor of sending a letter.

Jerry Clontz made a motion to adjourn. John Biggers seconded the motion. Council members Biggers, Clontz, Kindley and Wilfong voted yes (4-0).

- (c) The B-2 (community business) district is designed to accommodate commercial development on a scale that is less intensive than that permitted in a B-1 district. A lesser intensity of development is achieved through setback, height, and minimum lot size requirements that are more restrictive than those applicable to the B-1 zone. The B-2 thus may provide a transition in some areas between a B-1 zone and a residential zone or may allow for smaller scale commercial development in rural areas, particularly at crossroads or other high traffic areas that are not generally suited for residential development.
- (d) The B-3 (office) district is designed to accommodate a mixture of office, clerical, research, and services uses. It is intended that this zoning classification be applied primarily in areas that no longer are viable as single family residential areas because of high traffic volumes on adjacent streets or because of other market factors but remain viable as locations for offices and services. Such areas will also generally constitute transition or buffer zones between major arterials or more intensively developed commercial areas and residential districts.
- (e) The B-4 (general commercial) district is designed to accommodate the widest range of commercial activities.
- (f) The HC (highway corridor mixed use) district is Intended to accommodate a wide variety of commercial and light industrial uses along major transportation corridors, subject to performance standards designed to (i) ensure the viability of the highway as a carrier of high volumes of traffic, (ii) recognize and preserve the value of land along the corridor as the site of significant non-residential development, and (iii) protect the viability of residential neighborhoods adjacent to the corridor. It is intended that developments that occur within this district in particular be sensitive to the need to preserve a high degree of aesthetic appeal along major transportation corridors.
- (g) The B-6 (college campus) district is intended to accommodate a variety of residential and non-residential uses developed on land owned by an institution of higher learning and associated with that institution, such as dormitories, offices, classroom buildings, athletic facilities, etc.
- (h) The O (office district) is to provide areas which are Conducive to the establishment and operation of offices, institutions, and commercial activities not involving the sale of merchandise. Standards are designed so that this district, in some instances, may serve as transitional use between residential districts and other commercial districts.

Section 137 Manufacturing Districts Established.

*

The LI (light industrial) district is hereby established primarily to accommodate enterprises engaged in the manufacturing, processing, creating, repairing, renovating, painting, cleaning, or assembling of goods, merchandise, or equipment. This district is distinguished in that certain types of industrial uses that

tend to have significant adverse impacts on surrounding properties are excluded from the LI district.

- (b) There is also established a planned industrial development (PID) zoning district. The purpose of this district is to provide for the possibility of well-planned and large-scale industrial development in otherwise undeveloped areas that have not previously been zoned for industrial use. The district is thus a "floating zone," i.e., it is not applied to particular property except in response to a petition submitted by or on behalf of the owner or owners of all of the property intended to be covered by such zone. The district is subject to the following requirements:
 - (1) The area to be zoned PID must be at least fifty contiguous acres in size and have at least 100 feet of frontage along a major arterial (See subsection 210(b)(7)).
 - (2) A planned industrial development is the only permissible use in a PID zoning district.
 - (3) Subject to subsection (2) of this subsection, and consistent with the restrictions contained in the definition of a planned industrial development (see section 15), land within a PID zone may be used in a manner that would be permissible if the land were zoned LI, except that the only permissible uses are (i) wholesale sales and (ii) manufacturing, processing, creating, repairing, renovating, painting, cleaning, assembling of goods, merchandise and equipment as long as all operations are conducted entirely within a fully enclosed building.

Section 138 Planned Unit Development Districts Established.

- (a) There are hereby established five different planned unit development (P.U.D.) districts as described in this section. Each P.U.D. district is designed to combine the characteristics of at least three and possibly four zoning districts.
 - (1) One element of each P.U.D. district shall be the low-density residential element corresponding to the RA-40 or R-40 residential districts described in Section 135. Within that portion of the P.U.D. zone that is developed for low-density residential purposes, all development must be in accordance with the regulations applicable to the RA-40 residential district (except that planned residential developments shall not be permissible).
 - (2) A second element of each P.U.D. district shall be the higher density residential element corresponding to the RA-20 or R-20 zoning districts described in Section 135. Within that portion of the P.U.D. district that is developed for higher density residential purposes, all development must be in accordance with the regulations applicable to the higher density residential district to which the P.U.D. district corresponds.

Fairview Planning and Zoning Meeting August 16, 2011 6:30 p.m.

The following members were present: Chairman, Phil Thomas, Vice Chairman, Jesse Hargett, Nancy Randall, Patti Freeman, John Phifer

Staff: Land Use Administrator, Ed Humphries

Chairman Thomas opened the meeting.

New Business

Ed Humphries explained a request from Evan Crook to obtain a Conditional Use Permit (#CUP 11.043) to operate an auto repair, body work shop and towing operation on Parcel #08222011 (7305 Brent Haigler Road). This property is zoned as A Conditional Use District and requires a Conditional Use Permit with a change of use. The parcel is owned by B.B. Haigler. The property has been used by H&H Farm Equipment until August 1, 2011.

The applicant is setting the following conditions on the requested permit:

Conditions for CGS #CUP 11.043 Evan Crook

- Auto Repair <u>Building #1</u>. Office auto repair for cars and light duty trucks and small equipment. No big trucks. No car sales.
- 2. Auto Body Work Building #2. Light body work
- 3. Storage Building #3. Supplies and equipment inside storage
- 4. Paint Shop <u>Building #4</u>. Certified paint shop for body shop
- 5. Towing Fenced Area #5. Constructed by September, 2013. Area used to store vehicles 100' X 100' in size, privacy fence 6' in height with 3 layers of barbwire. Area will be used for vehicle storage.
- 6. Sign on building only
- 7. No additions to present footprint

B.B. Haigler stated there would not be a "junk yard" on the property.

Phil Thomas suggested the following condition be added:

All electrical wiring, lights, switches, etc. in the spray paint area must be UL listed for Class I, Division 1 hazardous locations (per NFPA 70 National Electrical Code definitions). Construction and protection of spray finishing facilities must comply with NFPA 33, Spray Application Using Flammable or Combustible Materials, 2011 Edition.

Nancy Randall made a motion to recommend approval of the request by Evan Crook, Permit #CUP 11.043 to the Town Council and have the Public Hearing scheduled. The motion will include the following conditions agreed to by Mr. Crook:

The motion also includes the following zoning statement:

The proposed conditional use permit under consideration <u>is</u> found to be reasonable and consistent with the recommendations of the Town's adopted comprehensive plan, the Town of Fairview Land Use Plan(Revised September 13, 2010), and the Town of Fairview Land Use Ordinance (effective July 1, 2005)

Jesse Hargett seconded the motion. All members present voted yes (5-0).

Ed Humphries gave an update on the Sign Ordinance.

There was a discussion regarding the proposed Solar Energy Amendment.

It was agreed that the amendment should have more conversation. The requirement of not permitting solar panels in the front yard will be removed.

Nancy Randall made a motion to approve the minutes of July 19, 2011. Patti Freeman seconded the motion. All members voted yes (5-0).

Patti Freeman made a motion to adjourn. Nancy Randall seconded the motion. All members voted yes (5-0).

Respectfully submitted,

Bill Thomas made a motion to issue this permit with the two conditions stated above. Jerry Clontz seconded the motion. The motion passed. Thomas, Purser, Clontz and Long voting yes

Mayor Protem closed the public hearing.

Mayor Protem Long opened the second Public Hearing:

Request to rezone Parcel # 08222011F from RA40 to CUD-LI-09-01 Ed Humphries discussed this land that is owned by BB Haigler. Mr. Haigler explained that he sold the business and wants the property to be zoned light industrial to conform to the current zoning map. The lot consists of 4.86 areas.

The public hearing was closed by the Mayor Protem Long.

Decision on request:

Bill Thomas made a motion to change the zoning on parcel # 08222011F from RA-40 to CUD-LI-09-01. The request is made by Mr. B.B. Haigler. Bradley Purser seconded the motion. The motion passed. (Thomas, Purser, Clontz and Long voting yes)

Bill Thomas made a motion to adopt this statement concerning the Haigler rezoning:

This rezoning (#CUD-LI-09-01) is consistent with the recommendations of the Town's adopted Comprehensive plan, the Town of Fairview land use plan (adopted April 18, 2005), and the Town of Fairview Land Use Ordinance (effective July 1, 2005)

Long seconded the motion. The motion passed. Purser, Clontz, Thomas, and Long voting yes.

The Mayor Protem closed the public hearing

Mayor Protem Long opened this 3rd Public Hearing

Request to Amend Section 180N of the LUO by adding "Requirement for Shopping Centers": Permit #TC-09-01

Ed Humphries discussed the proposed text change to the LUD "shopping center requirements" (50,000 square feet or more). The Planning Board has been discussing this text change for some time and has recommended approval of the change.

Decision on request:

Bill Thomas made the motion to continue this Public Hearing at the January 2010 meeting. Bradley Purser seconded the motion. The motion passed Purser, Thomas, Clontz and Long voting yes

FEE: \$300

Applicant proposes to change the text of the Town of Fairview Land Use Ordinance, Article XI, Section 180E, subsection (k) by adding the language highlighted in yellow and eliminating the crossed-out language as follows:

(k) Except as otherwise expressly stated, Adminimum setback requirements for free-standing towers located in the residential zoning districts shall be one (1) foot for every one (1) foot of actual tower height (i.e. a 125 foot tower would require a 125 foot setback on all sides). a distance that is at least equal to its engineered fall zone. Setback requirements are applicable on all sides of the property including any side along the road right-of-way, and for all leased areas of a parcel. The purpose of these setback requirements is to prevent ice-fall materials and/or debris from tower failure or collapse from damaging off-site property.

Minimum setback requirements for freestanding towers located in the business or industrial zoning districts shall be based on the zoning district setbacks as described in Section 184. 167

For the purpose of establishing setbacks, the measurements shall be from the edge of the concrete base on which the tower is located, to the property line, unless the tower is located in a leased area. Setbacks for towers located on leased parcels shall be measured from the edge of the concrete base on which the tower is located to the edge of the parcel in which the leased area is located.

Minimum setback requirements may be reduced by the Town Council (as part of the conditional use permit) to allow the integration of a tower into an existing or proposed structure such as a church steeple, lighting poles, power line support device, or similar structure.

This language is modeled after the language in the Union County Development Ordinance. Section 30.190.D.2 of that ordinance regulates setbacks for Wireless Communication Facilities:

2. Setbacks

Except as otherwise expressly stated, wireless support structure must be set back from all property lines a distance that is at least equal to its engineered fall zone.

Call for Public Hearing on Finance Agreement

Discuss/Approve Resolution #R-18-LGC

RESOLUTION

RESOLUTION AUTHORIZING THE FILING OF AN APPLICATION FOR APPROVAL OF A FINANCING AGREEMENT AUTHORIZED BY NORTH CAROLINA GENERAL STATUTE 160A-20

WHEREAS, the Town of Fairview, North Carolina desires to purchase 65 acres from Harry and Sandra Haigler for future development of parkland for \$650,000 at 3.9% for 15 years (the "Project") to better serve the citizens of Fairview; and

WHEREAS, The Town of Fairview desires to finance the Project by the use of an installment contract authorized under North Carolina General Statute 160A, Article 3, Section 20; and

WHEREAS, findings of fact by this governing body must be presented to enable the North Carolina Local Government Commission to make its findings of fact set forth in North Carolina General Statute 159, Article 8, Section 151 prior to approval of the proposed contract;

NOW, THEREFORE, BE IT RESOLVED that the Council of the Town of Fairview, North Carolina, meeting in regular session on the 9th day of July, 2018, make the following findings of fact:

- 1. The proposed contract is necessary because additional future parkland has become available to purchase (65 acres) next to the Fairview Park now in operation.
- 2. The proposed contract is preferable to a bond issue for the same purpose due to the amount of the contract and to the cost related to a general obligation bond. The Town of Fairview believes that using a portion of its fund balance and to borrow the principal amount would be in its best interest and remain in a position that taxes will not have to be raised. Being that the town has no debt other than a fire truck payment to be paid off in FY 20-21, borrowing from the owner of the property at a fair rate (fixed) for a 15 year term is in its best interest on this purchase.
- 3. The cost of financing under the proposed contract is less than the cost of issuing general obligation bonds. The Town favors this form of financing due to its amount of \$600,000, and 15 year fixed rate (3.9%).
- 4. The sums to fall due under the contract are adequate and not excessive for the proposed purpose because the Town is using fund balance for a down payment on this loan \$50,000 and also for the first two payments \$63,400 and \$61,840.

The balance of the payments, 13 years, will be paid from a retiring fire truck loan of \$52,569 and budgeted funds.

- 5. The Town of Fairview's debt management procedures and policies are good because of audits from date of corporation and Town officials continued effort to have clean audits.
- 6. There will be no tax increase.
- 7. The Town of Fairview is not in default in any of its debt service obligations.
- 8. The attorney for the Town of Fairview has rendered an opinion that the proposed Project is authorized by law and is a purpose for which public funds may be expended pursuant to the Constitution and laws of North Carolina.
- 9. The Town of Fairview has no public service enterprise funds.

NOW, THEREFORE, BE IT FURTHER RESOLVED that the Mayor is hereby authorized to act on behalf of the Town of Fairview in filing an application with the North Carolina Local Government Commission for approval of the Project and the proposed financing contract and other actions not inconsistent with this resolution.
